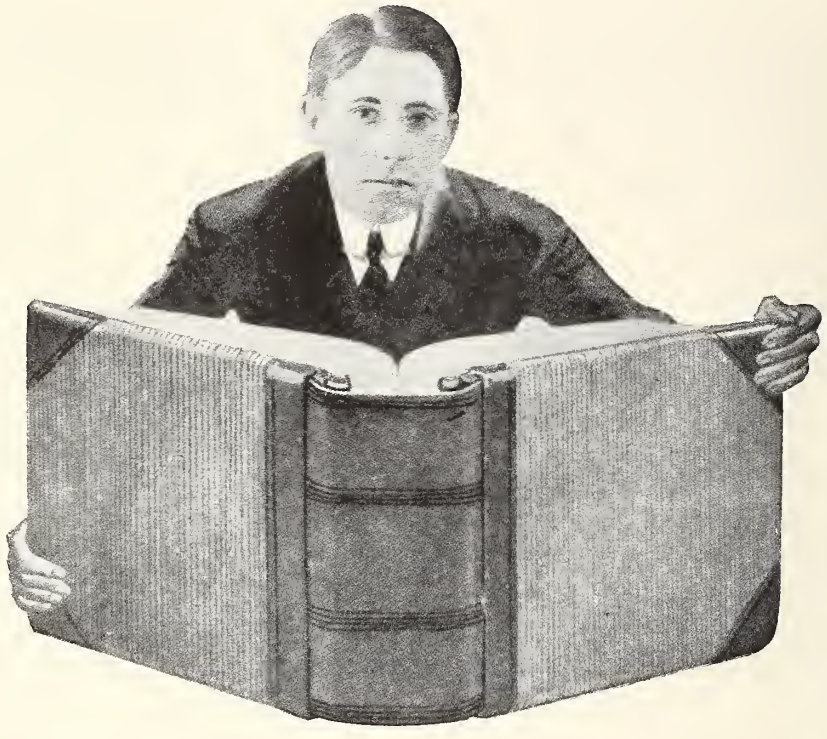
Printing—the Ally of Salesmanship



"GOOD PAPER, GOOD INK AND GOOD PRESSWORK COST MONEY, BUT THEY DO NOT COST MORE THAN THEY ARE WORTH."

WE are specialists in the making of Printed Books—Edition work, Reports, Magazines, Catalogues or Advertising Booklets. All of the work is done under our own roof, and our staff of Compositors, Pressmen, Bookbinders, etc., has been selected and trained because of special fitness and proficiency for their several branches of the work. ¶ Our Printing and Bookbinding plant is one of the largest in Canada and the equipment throughout is of the best that mechanical skill has produced. ¶ We solicit your business on the broad ground of giving full value for the money in both quality and quantity. Our prices are as reasonable as we can make them, and we are glad to give any assistance we can in the production of printed work that may help our customers in the development of their business and the extension of their sales.

Compare the "Kalamazoo" Binder with the One You are Now Using

THIS is the "Kalamazoo" Loose Leaf Binder—the best expression of the loose leaf idea that has yet been produced. This Binder is different from any other. It is lighter in weight; stronger and more durable; will hold any number of sheets required for actual use from one to a thousand; lies close to the desk with a firm and flat writing surface; and will do everything that any other binder will do and do them better. ¶ The "Kalamazoo" Binder has many features possessed by no other. See its rapid opening device by which it may be operated without a key —Its flexible thongs which give it the flat writing surface—Its extra safety lock to prevent access to the sheets, and its strap lock for private ledger purposes. ¶ There are many thousands of "Kalamazoo" Binders in use throughout Canada, the United States and the British Empire. Governments, Public Institutions, Banks, Savings and Insurance Companies and Business Houses the world over have found it the best solution of the Loose Leaf principle.

Write for descriptive Booklet B2. Tell us your needs and we will try to help you.
